The Society of Industrial and Office Realtors (SIOR) and the Association of Industrial Real Estate Brokers (AIRE) held a joint event in Rosemont with speakers Haven Allen, founder of mHub, Amelia Candara of GE Fuse, and Dennis Vicchiarelli of World Business Chicago. The focus of the event included the current evolution of manufacturing and the next disruption in product development, industrial innovation, and new manufacturing start-ups. Pictured are Mark Hill, SIOR event chairman; Dennis Vicchiarelli, World Business Chicago; Amelia Candara, GE Fuse; Haven Allen, mHub; Adam Marshall, AIRE president.
